Shawn,

I left you a voicemail message yesterday. I agree that the Branson routing is not desirable. I recommend either the Springfield, MO (about 1hr 15 min from Arkwood) or the Northwest AR Regional Airport (XNA) which is about 2 hrs from Arkwood. I can coordinate to pick you and return you to either airport.

Again, My available dates are 2/2, 2/3, 2/9 and 2/10.

Jean: Looks like Branson is a long way for me as I have to fly to Atlanta. You may have to spend a night at Harrison and start early. My problem is my night vision is impaired and would not like to drive back to XNA in the dark by myself in a mountainous area. I can pick up an auto at XNA and meet you in the morning at some common point e.g. Harrison airport or the site if you provide me with detailed map+instruction. I will have to follow the route back to XNA by myself in day light Unless we can find some way to get back to XNA some other way. Otherwise I may have to call up ADEQ and see if I can ride with them to the site. This will probably be the only time in next 5 years that you have to go out of the

way. My only objection is where I have to drive through mountain roads after dark. XNA has flights coming back to Dallas even after 7 pm. Let me know so we can finalize the date or find alternatives.

Shawn,

This is the same airport I referred to in my email earlier today. XNA (Northwest Arkansas Regional Airport) is located between Fayetteville and Bentonville about 1 hr and 45min - 2 hours west of Omaha, i.e. a longer drive than Springfield, MO. The earliest flight for me arrives at 10:14am and departure would be 5:18 in the evening. These times are pretty close to yours so we could make this work.

I'm available on 2/2, 2/3, 2/9 and 2/10.

Jean: Found number of flights by American Eagle e.g. Lv DFW Flt 3264 to XNA ( Bentonville) 8:15 AM  
Arrive XAN 9:20 am {Feb 4.2011)  
LV XAN @ FLT 563 @ 3:30 pm arrive DFW 4:45 pm  
or Lv XAN Flt 3222 @ 6:10 pm Arrv DFW @ 7:25 pm

Theses are just hypothetical dates and can be finalized after you can tell me that you can pick me up @ Bentonville (XAN) and return me after site visit to XAN. I believe XAN is 1/2 hr drive from Harrison.

Let me know and I will finalize my flight to your suitable date.
